ORDER:

It is the case of the petitioner that the criminal cases, which were

registered against him, were ended in acquittal and no cases are pending against the petitioner. Therefore, the continuance of rowdy sheet against the petitioner is illegal and arbitrary.

The learned Government Pleader appearing for the respondents submits that the concerned Sub-Divisional Police Officer has already passed order permitting the 2nd respondent to close the rowdy sheet of the petitioner.

Having regard to the facts and circumstances, the writ petition is disposed of directing the 2nd respondent to implement the order said to have been passed by the concerned Sub-Divisional Police Officer, as expeditiously as possible. There shall be no order as to costs.
